Legend

Scale of shore line approximately 1:10,000

- A Severnaya Bay  
 B Yuzhnaya Bay  
 C Korabelnaya Bay

- 1 Panorama (Historical) Park
- 2 Direction of Sevastopol railroad station
- 3 Uchobni Utrat Barracks
- 4 Plotski Ekipazh Barracks
- 5 Discharging place for building materials
- 6 Building-materials dump
- 7 Discharging place for oil in drums
- 8 Small fuel dump (a few comparatively small oil tanks)
- 9 Tunnel for the single-track railroad line to Simferopol
- 10 Navy dockyard with arsenal and submarine base; approximate borders marked - - - - - in sketch
- 11 Two building slips for ships up to about the size of torpedo-boats; they were probably enlarged to form closed workshops, 60 to 80 meters in length, but were not yet in operation by 1949
- 12a Perhaps a third slip for destroyers?
- 12 Dry dock, length x beam x depth )  
     - 152 x 26 x 8.5 meters ) Depth - water depth over dock  
     ) sill
- 13 Dry dock, length x beam x depth )  
     - 207 x 37 x 9 meters )
- 14 Presumably fitting-out basin for new ships
- 15 Probable location of gun repair shops (see Annex 4)
- 16 Store depots or workshops (condition and destination are not known)
- 17 Coal dumps on eastern shore ) Amount of coal stored and  
     of the Southern Bay ) capacity not known
- 18 Coal dumps on western shore )  
     of the Southern Bay )
- 19 Cold storage house (possibly Meat Combine)
- 20 Submarine wharf, submarines are berthed alongside, north and south of it
- 21 Approximate position of a shaft (driven into the rock), used for storing torpedoes and ammunition
- 22 Floating dock, about 100 meters in length, capable of taking destroyers
- 23 Mooring place for small naval units up to size of destroyers
- 24 Presumably administration buildings and quarters for the naval units berthed at 23
- 25 Port commander's office
- 26 Former customs house
- 27 Occasional berth of whaler tender Slava (formerly Walter Rau)
- 28 Occasional berth of battleship Sevastopol
- 29 Direction of Simferopol
- 30 Observatory
